Who We Are

GreenTech Oilfield Services LLC (GOS), specializes in providing comprehensive solutions for forecourts and maintenance & shutdown sevices in the Oil & Gas, Industrial, Utilities and Infrastructure sectors across MENA region.

Our commitment to delivering innovative, efficient, and cost-effective solutions sets us apart in the industry.

Products & Services

Forecourt Equipment & Accesorries	Installation, Commissioning, Maintenance & Shutdown	Engineered Systems & Solutions
Fuel Dispenser	Annual Maintenance Contract	Fuel Oil Systems
Fuel Compatible HDPE Piping System	Fuel Filteration & Polishing Services	Reticulated Fuilds Systems
Flow Meters	Servicing	Compressed Air Systems
Leak Detection Systems	Shutdown & Maintenance	Fume Extraction Systems
Fuel Polishing System	Modification and Refurbishment	Fuel Transfer Skids
Hose Reels	Installation and Commissioning	Portable Fuel Station with FMS
Other Accessories	Tank Cleaning & Testing	
Fuel Management Systems	Tank Refurbishment	
Car Wash		

GREENTECH OILFIELD SERVICES LLC

Major Customers

ADNOC · enoc · Emarat · Dubai Police · parkin · Yas Plaza Marina · Grand Hyatt

Radisson Blu Schwarzer Bock Hotel Wiesbaden · Cleveland Clinic · Dubai Safari Park · Rotana · dewa · Etihad Rail

Saudi International FZE · Integrated Transport Centre · SEHA · Dubai Municipality · Al Amal Psychiatric Hospital · TIGER · MIDAS

Sectors We Serve

- Oil and Gas
- Industrial
- Fuel Stations
- Hospitality
- Municipality
- Agriculture
- Construction
- Landscaping
- Hospitals
- Railways
- Transportation
- Aviation
- Residential & Commercial infrastructure
- Government Buildings

Forecourt Equipment & Accessories

The Progress Retail Line offers flexible range of dispensers that can be tailored to all your business requirements, from one to ten hoses, five different products, a flow rate of up to 200 L/min, payment systems and multimedia. Preminum Fuel Dispensing Experience.

Electric Vehicle Chargers

More than an ovation to what's new, we represents the power of humanity, and the limitless potential that comes with change and innovation. We believe that imagination alongside with cutting-edge technology will spark the future of mobility. Mordern day ev charger for home, residential and commercial properties.

H2 30M Movable Charger

1 Power module 30 kW
7" LCD screen
RFID reader
Weight < 80kg
IP55 / IK10
Ethernet / 4G / WiFi

H2 30 Wall Charger

1 Power module 30 kW
7" LCD screen
RFID reader
1 or 2 cables (1 CCS + 1 CHAdeMO)
IP55 / IK10
Ethernet / 4G / WiFi

H1 22 Pedestal Charger

22 kW + 22 kW max power
5" LCD screen
Socket or cable (optional)
Weight < 57kg, RFID reader
Load balancing between chargers
MID certified meter, IP54
LAN / WiFi / 4G (optional)

H2 60 Movable Charger

2 Power modules (2 x 30 kW = 60 kW)
Dynamic charging balance between two connectors
7" LCD screen
RFID reader
2 DC cables + 1 AC cable (optional)
Payment terminal (optional)
IP55 / IK10
Ethernet / 4G / Wifi

H2 60-180 Standalone Charger

2 to 6 Power modules (60kW to 180kW)
Dynamic charging balance between two connectors
7" LCD screen
RFID reader
2 DC cables
Payment terminal (optional)
IP55 / IK10
Ethernet / 4G / Wifi

H2 240-480 Standalone Charger

4 simultaneous DC charging with dynamic balance between connectors
Up to 400 kW per output
Up to 500A per output (300A Boost or liquid cooled connectors)
7" LCD screens + 21.5" Touch screens on both sides
UPGRADABLE
30 kW Power Modules
Payment terminal (optional)
IP55 / IK10
Ethernet / 4G / Wifi

H2 60 Movable Charger

7 kW max power
1 cable (5m)
Weight < 4kg
RFID reader
Output 32 A
IP55
LAN / WiFi / 4G (optional)

H1 22W Pole or Wall Charger

22 kW max power
5" LCD screen
Socket or cable (optional)
Weight 6kg - 10kg, RFID reader
Load balancing between chargers
MID certified meter (optional)
IP56
LAN / WiFi / 4G (optional)

GREENTECH OILFIELD SERVICES LLC

Positive Displacement Flow Meter

Economic metering solutions with High accuracy, High flow rate and strong internal components to meet your operational and financial needs.

Fuel Flow Meters

Metering solutions for low flow rate fuel transfers.

Mechanical Fuel Flow Meters

3 and 4 Digit Mechanical Fuel Flow Meter

Digital Fuel Flow Meters

Digital In-Line Fuel Flow Meter

Hot and Cold Water Flow Meters

Water Metering Solution for Domestic To Commerical High consumption with Pulse and Mbus output

Water Flow Meter Threaded COLD

Water Flow meter threaded Hot

Water Flow Meter Threaded COLD with Modbus and Pulse

Water Flow Meter Flanged COLD

Water Flow meter Flanged Hot

Water Flow meter Flanged Hot with Modbus and Pulse

GREENTECH OILFIELD SERVICES LLC

Fuel Transfer Pumps

AC, DC and Manual Hand Pump.

AC/DC Pumps with Accesories and Base Plate

AC/DC Pumps with Accesories and Shade

AC/DC Pumps with Accesories and Cabinet

Portable DC Pumps with Accesories

Fuel Transfer Hand Pump

High Flow Fuel Transfer Pumps

Gear Pump

Vane Pump

Red Jacket Submersible Turbine Pump

Self-Priming Centrifugal Pump

Bulk Fuel Transfer Skids

Close Coupled Pump Motor Skid

V-Belt Pump Motor Skid

Metering Skids with Pump, Motor, Hose reel and Control Panel.

Air-Operated Double-Diaphragm Pump

Diesel & Petrol Engines Pumps

Robin Gasoline Engine
Trash Pump

Solrisen Diesel Engine
Water Pump

Explosion- Proof Electric Motor

Oil and Grease Pumps With Accessories

Oil and Grease Dispensing Nozzle Flexible

Oil and Grease Dispensing Nozzle Rigid

Oil and Grease Flow Meter

Oil Pumps

Oil Dispensing Set

Air Operated Grease Pumps & Accessories

Reelcraft Hose Reels

Wall mountable

Heavy duty reel

Motorized Hose Reel

Manual Reel

Pressure Washer Reel

SS Hosereel

Reecraft Static Grounding Reel

Hose Reels & Accessories

Portable Fuel Tanks, Fuel Caddy and Calibration Cans

Easy to carry Fuel cans

Fuel Caddy with Pump Set

Portable Tank (PVC) with Dispenser

SS Calibration Can

Fuel Nozzles and Swivels

Fuel Nozzles and Swivels for Dispensing at different safety flow rates.

Fuel Nozzle

Fuel Nozzle with Meter

Auto Nozzle 1.5 inch

Multiplane Swivels

Straight Swivels

Fuel Adaptor and Filter

30 Micron Filter and Adaptors

Hoses & Nozzels

Rubber Hose for Air Water & Fuel

PVC Layflat Hose for Water

Rubber Coated Water Down Nozzle

High Pressure Water Nozzle Brass

GREENTECH
OILFIELD SERVICES LLC

Stationary Tanks and Accessories

All types of fuel tank fabrication, repair, modification & refurbishment.

Flame Arrestor

PV Vent

Stationary Tank

Leak Detection and Overfill Alarm System

Protect your Fuel efficiently and Avoid wastage

Fuel Management Systems

Monitor your Fuel Storage and Consumption with our Fuel Management System (FMS)

Automatic Tank Gauging System

Fuel Polishing & Filteration System

Fuel Compatible HDPE Piping Systems

Single-wall

Secondary contained close-fit

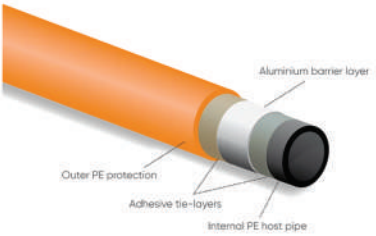

One-Weld couplers

Termination fittings

Secondary-contained large diameter

Electrical conduit

Rollover Car Wash System

Automatic Car Washing System for the Future

Touchless Car Wash System

Installation, Commissioning, Maintenance & Shutdown

1. Fuel system supply installation maintenance
2. GI double wall pipes fabrication & installation works
3. Existing fuel tanks & pipe lines painting , cleaning, modification and refurbishing works
4. Fuel storage tanks repairing and pipe lines pressure testing & certification
5. Fuel pumps repairing works
6. Hot water lines repairing works
7. Chill water pipe lines repairing works
8. Nitrogen plant supply and servicing work
9. Fuel polishing with certification
